

GoGel Water-based Lubricating Gel (Pack of Two)

e 50ML x2

@tenscareltd

For use with pelvic floor exercisers and for enhanced sexual comfort. Lubricating jelly for general lubricating needs, not a contraceptive.

TensCare™

GoGel is a sterile, water based gel which acts as a gentle lubricant for a natural comfortable feeling. It is not greasy nor tacky and can be used with latex condoms.

Directions: Apply and spread onto the skin or vaginal trainer. Do not use if opened or damaged. Sterile until opened. Sterilised by Gamma Irradiation Store at room temperature. Please keep out of reach of children.

Warnings: If irritation occurs, discontinue use and consult your medical adviser.

LOT

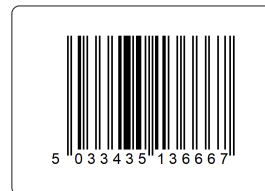

Ingredients: Water, PEG-200, Methylparaben, Propylparaben, Carbomer, Sodium Hydroxide, Glycerine.

Recommended for gynaecological and surgical lubrication and when additional vaginal lubrication is needed. GoGel is a greaseless, transparent, water soluble and non-irritating jelly.
